According to the Resolution, 671 posts of Section Officer were abolished in lieu of creation of equal number of posts at higher level i.e 593 posts in the rank of Establishment Officer (EO) and 78 posts in the rank of Sr. Establishment Officer(Sr EO) in order to provide better promotional avenues in the district cadre.

As per Para 2 and Para 9 of the Order No 37835/ 29.12 2018 of the GA & PG Department, the new cadre strength of the district ministerial cadre has been fixed as per the percentage as prescribed therein. The base level Junior Assistant post (Level 4) has been taken as 100% and the hierarchy of posts has been fixed at 48% for Senior Assistants , 12% for Section Officers (SOs), 4% for Establishment Officers (EOs) and 0.5% for Senior Establishment Officers (Sr EOs). As per para 4 of the Order, the Collector, basing on administrative requirement and vacancies, will make transfer/posting of the EOs and Sr EOs in offices irrespective of the offices they were initially posted as Junior Assistants.

It is therefore, requested to instruct the District Offices under their control suitably to work out the strength of the promotional posts as per the percentage notified vide GAD Order No. 37835 dated 29th December, 2018 and notify the same.
